**Links**

**ignored_certs: bulk_create**

Adds to the list of unrecognized ignored certificates

```
POST http://{device}/api/npm.unrecognized_certs/1.0/ignored_certs/bulk_create
```

**Request Body**

Provide an ignored_certs data object.
Response Body
Returns an `ignored_certs` data object.

**ignored_certs: bulk_delete**
Deletes from the list of unrecognized ignored certificates

```plaintext
POST http://{device}/api/npm.unrecognized_certs/1.0/ignored_certs/bulk_delete
```

Request Body
Provide a `certs_bulk_deleter` data object.

Response Body
Returns a `certs_bulk_deleter` data object.

**ignored_certs: create**

```plaintext
POST http://{device}/api/npm.unrecognized_certs/1.0/ignored_certs
```

Request Body
Provide an `ignored_cert` data object.

Response Body
Returns an `ignored_cert` data object.

**ignored_certs: get**
Returns the list of unrecognized ignored certificates

```plaintext
GET http://{device}/api/npm.unrecognized_certs/1.0/ignored_certs
```

Response Body
Returns an `ignored_certs` data object.

**ignored_certs: reset**
Resets the list of unrecognized ignored certificates

```plaintext
POST http://{device}/api/npm.unrecognized_certs/1.0/ignored_certs/reset
```

Request Body
Do not provide a request body.

Response Body
On success, the server does not provide any body in the responses.

---

**Resource: recent_certs**
This resource deals with unrecognized recent certificates

```plaintext
http://{device}/api/npm.unrecognized_certs/1.0/recent_certs
```

`JSON`
```json
{
  "items": [
    {
      "appearance_count": integer,
      "details": string,
      "first_seen": integer,
      "host_name": string,
      "id": string,
      "ip_addr": string,
      "last_seen": integer,
      "port": integer
    }
  ],
  <prop>: any
}
```

</table>

**Links**

**recent_certs: get**

Returns the list of unrecognized recent certificates

```
GET http://{device}/api/npm.unrecognized_certs/1.0/recent_certs
```

Response Body

Returns a `recent_certs` data object.

**recent_certs: reset**

Resets the list of unrecognized recent certificates

```
POST http://{device}/api/npm.unrecognized_certs/1.0/recent_certs/reset
```

Request Body

Do not provide a request body.

Response Body

On success, the server does not provide any body in the responses.

**Type: certs_bulk_deleter**

used for doing bulk deletes
