

End-of-Availability (EOA) Notice

EVI200 Edge Standard Edition Virtual Infrastructure - Dedicated Training

For Internal and Partner release
February 27, 2015

1. Announcement Summary

Riverbed Technology hereby announces the End-of-Availability of the following Professional Services product number, listed in Table 1. This product will no longer be available for sale effective June 4, 2015. Customers and partners may continue to order this product from Riverbed through June 3, 2015. However, it is recommended that the replacement part number, noted in table 2, be ordered instead.

Table 1 identifies the relevant dates for end-of-availability

Part Number	Description	End of Availability (Last Order Date)
SVC-TRA-EVI200-D	EVI200 Edge Standard Edition Virtual Infrastructure - Dedicated Training	June 3, 2015

2. Migration Plan

EVI200 will be replaced with SD200 Storage Delivery Essential's, which provides a dedicated 4-day training course for up to 14 students. The course includes coverage of current SAN topologies and SteelFusion via lectures, demos, and labs. Classroom-based or live-online instructor-led training. T&E not included.

Table 2 identifies the relevant product number that should be used to replace the EOA product listed above.
